**Term of Office:**

**16<sup>th</sup> May 2023 – 15<sup>th</sup> May 2027**

### **A bit about me...**

Amidst the challenges of the lockdown, I made the brave decision to relocate with my two children from London to Blacon. The move proved to be the right choice as my children have thrived at Dee Point, a school that offers a nurturing environment and a holistic approach to education. My daughter is in her final year and has made remarkable progress in her studies thanks to the school's exceptional provision for additional needs. As a parent, I have undergone extensive training and workshops to better understand my children's needs, and I am eager to use my experience in Special Educational Needs and Disability to support the school's arrangements for meeting these needs.

My background in business has taken a back seat as I pursue my passion for education and volunteering. I am currently studying Geography and serving as a student ambassador for the Royal Geography Society. My ultimate goal is to make a positive impact on young people's lives through school governance.
